'TIL MARCH 15th

BIG 2 to 3 YEAR OLD, FIELD GROWN PLANTS

The demand for an opportunity to share in our great pre-season rose sale, by those who found it impossible to place their order before the New Year, prompts us to extend this great offer at only a slight increase in price, giving you all another chance to secure all the fine roses you will wish to plant next spring, at a tremendous saving.

Order immediately, and you can make your choice from the wonderful selections listed below, at only the each, 10 for

AMERICA—Large, rose-pink, line-shaped flowers, sweetly scented, carried on long stems. Deep glossy green foliage, almost thornless.

AMERICAN BEAUTY—Flowers crimson carmine shaded deep pink, of fine form, substance and size, very fragrant; foliage strong and of good color; growth robust, sending out long, strong and well formed stems.

BETTY—Deliciously fragrant blooms of large size, full and beautiful, exquisite coloring, copper overspread with golden yellow. Strong and vigorous.

BETTY UPRICHARD—One of the finest new Roses; brilliant copper-red buds and semi-double, salmon-pink flowers stained with copper-pink outside. Profuse bloomer.

COLUMBIA—A fine big rose; perfectly double to the very center of the full flower, true pink that is entrancing, practically thornless.

DAME EDITH HELEN—One of the largest and most perfectly shaped pink Roses known. Blooms abundantly, with long, strong, straight stems. The most perfumed of all pink Roses.

DBL. WHITE KILLARNEY—A pure white spurt from White Killarney but has a much larger bud and many more petals than its parent.

DUCHESS OF WELLINGTON—Long, pointed buds; blooms intense saffron-yellow, flushed crimson, changing to lighter yellow.

ETOILE DE FRANCE—Rich velvety crimson, center ruby-red; large and double. Likes hot weather.

FRANCIS SCOTT KEY—Large crimson buds and blooms of good form, very double; slightly fragrant, good foliage.

FRAU KARL DRUSCHKI—Pure snow-white; long pointed buds; large, full flowers; free and constant. Not very fragrant.

GOLDEN OPHELIA—Deep golden yellow in the center, paling slightly toward the outer petals; of perfect symmetrical form and the plant is a sturdy, stiff-stemmed grower.

GORGEOUS—Flowers are large, full, deep orange-yellow, heavily veined with reddish copper.

GRUSS AN TEPLITZ—Brightest scarlet-crimson and flowering profusely. It grows tall and bushy and is quite hardy, even in cold sections.

HADLEY—Deep velvety crimson, retaining its color in all season. Buds well formed; flowers large, full and free, with most delicate fragrance.

HOOSIER BEAUTY—Color glowing deep crimson with darker shadings. Upright, strong, free, good form and texture. Buds long and slender.

JULIET—The petals outside are old-gold, and inside vary from rose to Crimson. Beautiful in bud and half-open state; always fragrant. A vigorous summer bloomer.

JONKEER J. L. MOCK—Rich carmine changing to bright pink with a silvery reflex. Stems strong and erect.

KAISERINE AUGUSTE VICTORIA—Outer petals of flowers creamy white, center petals Naples yellow, large, full and of good form.

KILLARNEY—Bright shell-pink; long pointed buds with large flowers. Very free and perpetual flowering.

KILLARNEY BRILLIANT—Same growth and style as Killarney and, like it, varies considerably in color. In shady weather it is almost deep crimson.

LADY HILLINGDON—Deep orange-yellow; good size; long and pointed bud.

MRS. AMBROSE RICARDO—Flowers quite double, of good form, a bright flesh-pink in color overlaid with a delicate tinge of yellow and delightfully fragrant.

MRS. CALVIN COOLIDGE—Clear buff-yellow flowers, suffused with orange in the center; of medium size, well formed, double, and of some fragrance.

OLD GOLD—Vivid reddish-orange, with coppery red and apricot shadings; medium size; semi-double. Strong grower.

OPHELIA—Blooms large in size full and perfect in form. Attractive light salmon shading to light yellow.

PERSIAN YELLOW—Flowers deep golden yellow, medium size, semi-double and globular in form; growth robust and hardy.

PHARISAER—Rosy white, shaded with salmon; large and full.

PREMIER—Dark pink flowers of full size, and pleasing fragrance, borne singly on stiff-thornless stems.

PRESIDENT HOOVER—A new color combination of maroon, orange and gold. Long pointed buds; rigid stems and a continuous cropper make it one of the most popular Roses.

RADIANCE—Brilliant, rosy opaline-pink. Large, free and of beautiful form with sweet fragrance.

RED RADIANCE—A glowing crimson with all the magnificent qualities of the Radiance.

RICHMOND—Scarlet lightly shaded crimson.

ROSE MARIE—This is a grand rose of the very highest merit. Color best described as a bright watermelon red.

SOUVENIR DE CLAUDIUS PERNET—Its color is a definite and lovely sunflower-yellow deepening in the center and it retains this color indoors and outdoors, in bud and open bloom. Buds are produced on long, stiff stems.

SOUVENIR DE GEORGES PERNET—Very large, blooms of Oriental red, with carmine and yellow shadings. Vigorous in growth.

SUNBURST—Deep cadmium-yellow, with orange-yellow center; large, full and of beautiful form.

TALISMAN—An outstanding novelty in Roses with its brilliant orange-red buds open to a large, fragrant high-pointed bloom of glowing golden yellow, stained with copper-red on the inside. Very hardy.

TEMLAR—Clear, even shade of red; medium size. Good all seasons.

THE QUEEN ALEXANDRA ROSE—Faces of petals are vermilion with a deep orange base reverses are deeply shaded old-gold—a brilliant color combination.

SIBERIAN ELM "THE WONDER TREE"

If you wish to have lovely shade trees about your home—if you wish to have them quickly—the Siberian Elm is the tree you should plant. They are truly Wonder Trees, growing twice as fast as any other known variety. With this remarkable tree you can have shade quickly, improving the appearance of your home and the attractiveness of its grounds in a very short time.

This Wonder Tree, the Siberian Elm, not only gives you quick shade, but develops into a truly beautiful tree, resembling the full shape of the Norway Maple, one of the most desirable shade trees, and develops this full size and shape in half the time it would require a Norway Maple. Rich green clean-cut foliage—truly ornamental.

The United States Department of Agriculture says: "It is very hardy and has proved valuable under a greater variety of climatic and soil conditions than any other tree yet introduced."

The Siberian Elm is a remarkable value at our low price, which is a Growers' Sales Company special, offered in line with our policy of giving you the newer and better things as they are proven valuable, at lower than usual prices. If you want shade, and want it quickly, by all means plant Siberian Elm this spring.
